5,000 Visit Annual Alameda County Fair

More than 225,000 patrons visited the 17th annual Alameda County Fair during its 14-day run, exceeding pre-fair predictions of 75,000. The Exposition closed July 12 and fair officials were elated by the response to the introduction of the paid outside gate. The year the Fair attracted an estimated 400,000 visitors with a gate prevailing. Fair estimates had been for 200,000 and fair officials indicated the record-breaking response as an indication that the paid gate had passed the mark. The show was acclaimed as the best in history due largely to new exhibits, better entertainment and increased participation by exhibitors in the Fair's departments. Planning wide acclaim at this year's exposition were the thousands of industrial and commercial exhibits, livestock and poultry, art and photography, an outstanding floral and garden show, agriculture displays, participation by 4-H and Future Farmer groups.

Traveler Gaeta Tells Of Happy Times In Italy

G. D. Gaeta of Albany, absent from his native soil for more than half a century, sends his greetings to the many friends here in an air mail letter to the Times. He is now touring the country and visiting friends and relatives he has never seen.

Unfortunately the snapshot Mr. Gaeta sent in the letter we just received, would not reproduce, due to white spots from poor developing. The picture shows Mr. Gaeta standing between two heavily laden burros, which he writes is the principal mode of transportation in the mountainous country.

Here is Mr. Gaeta's letter in full:

Dear Mr. Weller: I want to apologize for not writing earlier as I promised. We have been busy little beavers as the saying goes, since we embarked upon Naples on the second of July. We bought an automobile and started for Salerno, where my relatives reside.

We were welcomed in Salerno by a group of our relatives, whom we saw for the first time. What a tremendous experience this was for us. The next day we traveled the various surrounding villages and took in many interesting sites. I think the effects of war as we saw in a few remaining shelled buildings was the most outstanding.

Everywhere we travel we take movie films. We have already taken approximately 1700 feet of film.

Both my grandson, Dave Muzio, and I are having a wonderful time. I am happy to say I can interpret for him since he has no understanding of the Italian language.

The hospitality shown us by the Italian people has been overwhelming. Whenever we arrive in a village we are bombarded with invitations to eat and drink. By the way, the Italian wine is marvelous. We have drunk of some of the oldest and best tasting wines to be offered.

Enclosed, Mr. Weller, is a picture of myself and two of the principal modes of transportation around the mountain villages.

Please say hello to all in Albany and in the language of the land, arrivaderchi. We will write again soon.

Gaetano Di Gaeta

Chamber Chatter

By IRENE GROVE

Time to catch a few breaths between activities — Glad to report a most successful (but warm) Albany Day at the Alameda County Fair. Deanne Kern was lovely and gracious as our Maid of Albany — the program by the Du Mont School of Dancing was outstanding, as always, at the Community Hour — kids enjoyed the balloons and everyone had fun at the races. Red roses were presented the

winner of the Albany race by Deanne, with our vice-mayor, Lee Keck, and Chamber President Ernest Dix and Jaycee President Eldon Wolf joining her in the "winner's circle." Thanks to everyone who cooperated to make "Albany Day" a memorable one.

Notice: Your Chamber of Commerce is having a luncheon meeting, Tuesday, July 21 at 12 noon — Place will be Cerro Square in El Cerrito. We are delighted to have H. J. Dollinger of the U. S. Chamber staff as honor guest and speaker. "Dolly" is an old friend of your Chamber Manager — a wonderful person with a lot of Chamber of Commerce "know-how" — He will speak on the U. S. Chamber's new "Action Course in Practical Politics" — join us for luncheon — only \$1.50 inclusive for roast beef.

Our hats are off to the Albany Recreation Department and to the counselors and workers at Terrace Park for a wonderful summer recreation program. Day Camp started July 6 with over 200 taking part in both sessions. First session began July 6, ends August 2 — second session, August 3 to August 21.

Some of the other interesting activities are a trip to Fairyland Park, July 15 — Hobo Day, July 16 — Doll Show, July 23 in the afternoon, followed by the first family night with games for all and a campfire, July 30 is the Playground Circus — August 6 is Wheel Day — August 13, Stunt Day — August 20, Drama Festival — August 27, Arts and Crafts Festival and it winds up September 5 with a big Back to School Party — Clip this calendar for fun for your youngsters all summer. (Continued on Page 2)

Albany Student To Live in Belgium For Six Months

Ronnie Kleinhammer, 16-year-old Albany High School student, is beginning serious study of French this week, in preparation for her coming sojourn in Brussels, Belgium. Ronnie, daughter of the Robert Kleinhammers, 833 Ramona Avenue, Albany, has been selected to participate this Fall in the American Field Service School Program under which American high school seniors live with families abroad and attend the first half year of school.

While in Belgium, Ronnie will be the guest of Dr. and Mrs. Spehl of Brussels, and their three children, Helene 18, Marianne 16, and Pierre 14, and will attend the Lycee Dachsbeck with her two "sisters." The Spehls are a French speaking family, as is the school, and Ronnie will have to do all her school work in French.

Present plans call for Ronnie to sail from Montreal, Canada, on August 26, with approximately 150 other American high school students from all over the United States, who are participating in the AFS School Program. In the meantime, she is practicing conversational French under the direction of Mrs. Margaret Rathmell, Albany High School French teacher, with whom she has studied for the past three years.

CITY MAY LANDSCAPE CLEVELAND AVENUE

There was a follow-up on the recent public hearing held to discuss possible change in the name of Cleveland Avenue at Monday evening's meeting of the city council when the matter of landscaping that street where it borders the freeway was brought up.

The council heard a letter read from City Engineer John Dayton on the matter and learned that much of the freeway adjoining Albany lies too close to the Southern Pacific tracks to permit of adequate landscaping, and that the State has no plan view for landscaping in that area.

Cleveland now runs through from Buchanan to the north city limits, but is now partially closed by construction operations on the freeway. The main area affected lies mostly to the north of Albany Hill.

The council instructed the city engineer to get in touch with the Southern Pacific Company for its possible co-operation in the desired landscaping, and to determine its feasibility and possible costs.

A letter was read from William J. Kent, 633 San Carlos Avenue commending Superintendent of Parks and Recreation Elmer Nelson for the splendid program on July 4, but criticizing the sale and consumption of alcoholic beverages at city recreational programs. He described it as a "disgraceful situation." The council referred the matter to Police Chief Jensen for his recommendation.

Dates for two public hearings were also set by the council. One calls for a change in setback at 1015 Tamona Avenue, and the hearing was set for August 3. The other is for a change in rear yard requirements at 721 Johnson Street, with a hearing set for July 27.

The council heard a report from Secretary H. O. Waters of the Veterans Memorial Building Commission giving details of the maintenance costs and the annual income from rentals. This was in connection with renewal of the present lease of the building from the county. The land is owned by the city. The council is seeking to determine if it is possible to fill in the many days and nights the building's facilities are not being used by veteran groups and, if possible to reduce the seemingly high maintenance costs. The matter was held over for two weeks for further study.

A dispute within the council over the purchase of four new cars for the police department two weeks ago was continued Monday night. Mrs. Zahn offering a motion that would have required the city to call for secret bids on all purchases of \$300 or more, and that all such bids be sealed and presented to the council to be opened and read in open meeting. The motion failed by a vote of 2 to 3.

It was suggested by Mayor Blank that Mrs. Zahn's motion would prevent purchases of certain equipment required in an emergency, or where such equipment was of a type obtainable from only one firm.

After some further discussion the council agreed on a motion by Councilman Howell that all future bids must come direct to the council and be opened in a meeting open to the public.

The dispute arose over the bids on police cars being delivered direct to the police department, and a supposed "leak" in the prices quoted. This was cleared up by a letter from the Curt Campbell Ford company to the council explaining that that firm and the East Bay Chevrolet had made their bids on different car models, and that this had been cleared up and revised bids submitted.

This may be the cause: Past experience has shown that periods of abnormally hot weather followed by a cool and humid spell in this area reduces the effectiveness of TV antenna lead-in. Vacation Bible School Visitation Program Begins

The 1959 Vacation Bible School of the Albany Church of Christ was the largest school in the history of the Church, reports Herb Clark, director for this year.

On the last day of the school more parents attended graduation service than could be seated in the auditorium. Several neighbors of the church gave a helping hand to handle the overflow crowd of children, including Mrs. Harold Denham, Mrs. Mary Brown and Mrs. Lorrene Lovelace, beside all of the regular teachers.

In the next few weeks about 15 personal workers will visit each home from which these children came. We want to do everything possible to build a better home life for these children and in turn a better world of the future, states Herb Clark.

Each family will be encouraged to enroll as a family for Bible Classes each Sunday at 10 a.m.

The new time of worship on Sunday morning is 11 a.m. with the evening service remaining the same at 6:30 p.m. and Wednesday Bible Classes at 7:30 p.m.

The Albany Church of Christ wants to build a stronger America by building a stronger faith in God in the hearts of all men.

Philosophy For The Layman

Philosophy for the Layman is among the course offerings of the Albany Adult Education Center during its 7-week Summer Session, July 6 to August 22.

Like the other Albany classes, the course is open to the enrollment of those residing in or out of Albany.

WHAT'S DOING

Accidents can happen—and sometimes it's the telephone that bites the dust. Well, telephones are built to take it. But I wonder if you've thought about this fact: when something does go wrong with your phone—because of accidents or normal wear and tear—your telephone man will be out to fix it, *free of charge*. It's a lifetime guarantee, too, in effect as long as you have a phone. And, when you come right down to it, it makes your telephone pretty unusual. Can you think of anything else that doesn't cost you a single cent for repairs?

Be A Good Party Line Neighbor

Telephone usage has its seasonal peaks. With the nice weather we are now enjoying, the number of telephone calls made daily is steadily increasing. Plans for parties, picnics, activities for the children and vacations are being made over the telephone. It is important during this busy time that each of us learns the value of friendly, considerate telephone habits.

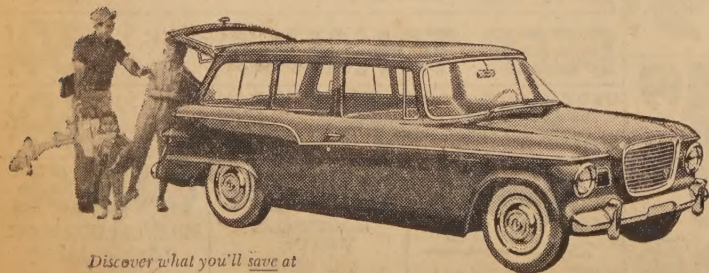

Party line telephone users know that good service for everyone depends on mutual thoughtfulness.

Here are some suggestions to help you enjoy good telephone service. Answer your telephone promptly and be sure you replace the receiver when you finish your conversation. See that your neighbor has an equal chance to use the service by waiting between calls. Do not listen in or interrupt when your neighbor is using the service. Young people sometimes are a bit careless about using the telephone but when parents point out the share and share alike principle of party lines, the young folks are quick to cooperate. Practice these habits in your home and we know that every member of your family will enjoy the best service with your party line neighbor. Pacific Telephone.

CHRISTIAN SCIENCE

The divine, eternal source of all life and action will be stressed at Christian Science services Sunday.

Highlighting the Lesson-Sermon on "Life" is the Golden Text from John (5:26): "As the Father hath life in himself; so hath he given to the Son to have life in himself."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (289:32): "Because Life is God, Life must be eternal, self-existent. Life is the everlasting

I AM, the Being who was and is and shall be, whom nothing can erase."

Scriptural selections include this passage from I John (2:25): "And this is the promises that he hath promised us, even eternal Life."

Christian Science Society of Albany meets at 533 San Pablo Avenue, Albany. Sunday Morning services are at 11 a.m. and the Wednesday evening meetings are at 8 p.m. The Sunday School convenes every Sunday at 9:30 a.m. All are cordially invited to attend the services and Wednesday meetings and to send their children to the Sunday School.

FIRST BAPTIST

Dr. Orhn, General Secretary of the Baptist World Alliance will be the guest speaker at the 11 a.m. service. Dr. Bjornard will sing the solo, "How Great Thou Art."

The evening service begins at 7 p.m. and Dr. Bjornard will be speaking on the subject, "Be Yourself." Nursery will be available for both the morning and evening services.

The Sunday School convenes at 9:45 a.m. with classes for all ages and with competent teachers.

Wednesday evenings at 7:30 p.m. is the service of Bible study, testimony and prayer.

COMMUNITY METHODIST

Sunday School and Morning Worship are both held at 10 a.m. Chaplain Henry G. Dutcher will be the guest speaker at the morning service. His subject will be, "He Went By Faith." Chaplain Dutcher is in charge of the Post Chapel at the Army Language School, Presidio of Monterey at Monterey, California.

11 a.m. Morning prayer, Litany and sermon on: "Channeling the

Compassion of the Church." Nursery care is provided and a coffee hour, to which all are invited, follows.

GRACE LUTHERAN

"Appreciating the Gospel" will be the sermon topic of Rev. O. R. Janke, pastor, at the duplicate services at 9:45 a.m. and 11 a.m. next Sunday at Grace Lutheran Church, Santa Fe Avenue at Ward.

The lesson topic for the graded classes of the Sunday School meeting at 9:45 a.m. will be, "King Solomon's Prayer."

The second week of vacation Bible School beginning next Monday will feature a closing service on Thursday at 7:30 p.m., and a picnic fellowship on the church lawn on Friday following the last session. The baptism of infants and children will be included in the closing service. Parents are invited to make arrangements with the pastor.

NORTHMINSTER PRESBYTERIAN

Family Worship Service — 10 a.m. each Sunday.
